

Seeking NYC Parents for a Study!

We are conducting research to understand the experiences of parents and caregivers who have navigated child welfare services in New York City. If you meet the following criteria, we invite you to participate!

Eligibility Criteria:

1. **Age:** You are a parent and at least 18 years old.
2. **Identity:** You identify as Black, African, African descent, or African-American.
3. **Prevention Services:** You experienced ACS investigation and prevention services at any time since 2017.
4. **No Open ACS Case:** You do not have an open case with ACS.

Your Voice Matters:

By participating, you contribute to research that includes parents' unique perspectives.

Interested or Have Questions?

Contact Ashleigh Washington, MSW
PhD Candidate, CUNY
Call/Text 346-704-5880 or Email:
awashington@gradcenter.cuny.edu.

What's Involved:

If selected, you'll participate in two virtual 90-minute interviews where we'll discuss your experiences and perspectives. Your participation will be confidential. This study is under the auspices of the City University of New York. **This study is not sponsored, affiliated, nor led by ACS.**

Compensation:

Participants will receive \$50 for each interview you complete via CashApp, Venmo, or Zelle.

Seeking NYC Parents for a Study! ♦

We are conducting research to understand the experiences of parents and caregivers who have navigated ACS and prevention services in New York City. If you meet the following criteria, we invite you to participate!

Eligibility Criteria:

1. **Age:** You are a parent 18 years or over
2. **Identity:** You identify as Black, African, African descent, or African-American.
3. **Prevention Services:** You were investigated and received prevention services at any time since 2017.
4. **No Open ACS Case:** You do not currently have an open case with ACS.

What's Involved:

If selected, you'll participate in two 90-minute virtual interviews where we'll discuss your experiences and perspectives. Your participation will be anonymous and confidential. This study is under the auspices of the City University of New York.

This study is not sponsored, affiliated, nor led by ACS.

Your Voice Matters:

By sharing your story, you contribute to more research on the unique perspectives of parents.

Compensation:

Participants will receive \$50 for each interview you complete via CashApp, Venmo, or Zelle.
